Please call me (Lisa) directly @ (239) 851-4729 with any questions

P.S. – if you have not done so,

Add more pics to your Biz Profile Page – When you upload a minimum of 9 pictures you will have a beautiful top banner and if you add more each time, they rotate and more engaging (you may visit my Your Walking Billboard, LLC page to see sample) – PLUS stay consistent with posting Exclusive Savings (suggestion weekly or monthly) As this supports Search Engine Optimization – our goal is for your page to pop up on google searches!!!
